

16 Days of Activism to end gender based violence

Takeover/Take Action

Public Event Programme

25th November - 10th December 2022

The 16 days of Activism to end gender based violence (GBV) - is a global campaign set up in 1991 calling for the elimination of all forms of violence against women.

The campaign takes place annually between 25th November - 10th December.

Every year, the Dundee Violence Against Women Partnership (DVAWP) works closely together to deliver a number of awareness raising events as part of this campaign. This year we asked you to takeover/take action and plan events for us that you thought were important.

Please see the range of events below
