

16 Days of Activism to End Gender-Based Violence

Imagine if Dundee Listened...

Discover a City Without Gender-Based Violence

Programme of Events

25th November - 10th December 2023

16 Days of Activism to end Gender-Based violence (GBV) - is a global campaign set-up in 1991 calling for the elimination of all forms of violence against women.

The 16 Days campaign takes place annually between 25th November - 10th December.

Every year, the Dundee Violence Against Women Partnership (DVAWP) works closely together to deliver a number of awareness raising events as part of this Campaign. This year we are asking you to:

**Imagine if Dundee Listened...
Discover a city without Gender-Based Violence.**

Please see the range of events below

9th November (Thur)

Launch of our Online and Poster Campaign	Please keep your eyes open for our campaign images - these will include a link and QR code to take to a page with more information about 16 Days and also give you the opportunity to let us know what you think a world without gender based violence would look like...and what we need to do to get there!	The image campaign will run for 16 days before the official launch of the 16 days of Activism campaign and then for the 16 days during it!
